HAPPY NEW YEAR FROM LSFA!

We hope that 2009 was a good year for you and that 2010 will be even better. Your association is already hard at work with big plans for the coming year.

Please note that yearly dues have increased to \$50.00 annually. This was voted on and approved by the members at our annual convention and members meeting held July 25 & 26, 2009. Thank you to all of our members for your support in this

increase. We feel confident that the increase will help our association bring bigger and better events to you, the members. Please make sure that we have your correct billing information so that any correspondence will not get lost in the mail. Also, please remember to pay your dues in a timely manner. Your annual dues are the only source of income for this association and we depend heavily on

your payment so that we may pay our bills. Thank you so much for your support.

Please send any and all corrections to lsfa@lsfaonline.com.

Once again, we hope that 2010 is a very prosperous year for all who serve in the floral industry. Please let us know what we can do to further assist you in any way.

HAPPY NEW YEAR!

CONVENTION 2010 PLANS ARE UNDERWAY

We are very excited to announce that the location of this year's convention will be in Alexandria, LA at the beautiful Sai Convention Center and Hotel. You can check out more about the location at their website: www.saiconventioncenterandhotel.com. More

information on pricing and accommodations will be in our next newsletter. In the meantime, you can sign up to volunteer to help. There is much to do to put on a convention and volunteers are greatly needed. What better way to work up close and personal with nationally rec-

ognized floral designers? You can contact any board member or email us at lsfa@lsfaonline.com if you are interested.

Also, don't forget about our Designer of the Year competition. Time to start thinking about competing. We know there

are many talented designers out there. Come on and show us your stuff!

Check out our website for information on the convention as it becomes available:
